

Destinations Requiring a License

See the Commerce Country Chart (Supplement No. 1 to part 738 of the EAR) to determine which countries require a license. Use the Country Chart Column information given on the front of this form in conjunction with the Country Chart to determine the licensing requirements for your particular items. For items classified EAR99, see part 746 of the EAR to determine the licensing requirements.

Applications for export must be submitted on Form BXA-748P Multipurpose Application. These forms may be obtained by calling (202) 482-3332. Assistance in filling out the form, or any aspect of exporting, is provided by the Export Counseling Division in Washington, D.C. at (202) 482-4811 or the Western Regional Office in Newport Beach California at (714) 660-0144.

License Exceptions

Be aware that the licensing requirements for some destinations may be overcome by any License Exception for which your items qualify. See part 740 of EAR for information on License Exceptions. The License Available column on the front of this form lists only those License Exceptions of the set GBS, CIV, CTP, TSR which are applicable to your items. Other License Exceptions may apply, depending upon the circumstances of your intended transaction.

Export Control Classification Numbering System (ECCN)

The ECCN numbering system is found in the Commerce Control List (CCL) part 774 of the EAR. The CCL is a comprehensive list that identifies all items controlled and licensed by Commerce. Within the CCL, entries are identified by an ECCN. Each entry specifies the license requirements for the item and the reason(s) for control. Please consult parts 738 and 774 of the EAR for specific information on ECCNs.

Shipper's Export Declaration (SED)

When an export is made, it is necessary for the exporter to show on the Shipper's Export Declaration (Form 7525-V) in block 21 either the license number, the applicable License Exception symbol or the symbol NLR. Form 7525-V is available from the Superintendent of Documents, U.S. Government Printing Office of Washington, D.C. 20402, and from Export Administration District Offices (U.S. Dept. of Commerce).
